Mr Robert Bean

**SUBJECT: HAMPSTEAD – Former Johnson & Johnston Site, 130 Route 111,
Groundwater Management Permit (DES #200001038)**

Dear Mr. Bean:

Please find enclosed Groundwater Management Permit Number GWP-200001038-H-001, approved by the Department of Environmental Services (Department). This permit is issued for a period of 5 years to monitor the effects of past discharges of volatile organic compounds.

All annual monitoring summaries and all required sampling results must be submitted to the Groundwater Management Permits Coordinator at the address above. All correspondence shall contain a cover letter that clearly shows the Department identification number for the site (DES #200001038). **Please note that upon issuance of this permit, it is only necessary to submit monitoring results to the "Groundwater Management Permits Coordinator" and not to my attention.**

Also, please note that Condition #9 requires the permit holder to record notice of the permit, within 60 days of issuance, in the registry of deeds for the chain of title for the lot within the Groundwater Management Zone. A copy of the recorded notice shall be submitted to the Department within 30 days of recordation.

Should you have any questions, please contact me at (603) 271-2800.

Sincerely,

David C. Bowen, P.G.
Waste Management Division
